☆ **Dear Federal Agency: Did you know that you can print most case documents (filed on or after June 2000) from the Internet if you obtain a FREE public account? Go to the court's website at www.nmcourt.fed.us/web/BCDOCS/bcindex.html.**

At the court's homepage, click on *Obtain an ACE account*. You can request a public account on-line; it usually takes 24-72 hours to receive an account. If you have an ACE account (and access to the Internet), you can look at cases and print documents from your home computer!
